Venue: Lecture Hall #2, MNR Dental College and Hospital

Organizers: Interns of MNRDC

Hosted by: Dr. Harshini & Dr. Tahmina

Panel of Judges: Dr. Ravindra SV, Dr. Ramesh, Dr. Ruparani

Participants: 28 faculties and 65 students

On 5th September 2024, the interns of MNR Dental College celebrated Teachers' Day in honor of Dr. Sarvepalli Radhakrishnan. Lecture Hall # 2 was decorated with colorful balloons, and the chalkboard featured a heartfelt "Teachers' Day" message. All faculty members were invited to enjoy the festivities.

The event began at 10:30 AM, hosted by Dr. Harshini and Dr. Tahmina. A welcome speech was given by the Tahmina and invited the Principal, Ravindra SV on to the stage to speak few words on Teachers day.

Dr. Ravindra SV shared a few heartfelt words; Teachers' Day is celebrated on 5th September in India to honor the birth anniversary of Dr. Sarvepalli Radhakrishnan, a distinguished philosopher, scholar, and the second President of India. It is a day dedicated to appreciating the invaluable contributions of teachers in shaping the minds of students and fostering a culture of learning. He emphasized the crucial role teacher's play in nurturing future professionals and the importance of continuous learning and mutual respect in the student-teacher relationship. All across schools and colleges in India, students organize activities, events, and tributes to express gratitude to their teachers, recognizing them as the pillars of knowledge, guidance, and inspiration.

Following the speech, interactive games like **Pictionary** and a **cup matching game** for the faculty, this added a lively and engaging touch to the celebration.

A **play role of teachers** followed, where students imitated their professors. Each student had 2 minutes to perform, and the performances included:

- **Sanjana-Dr. Yesheswini**, Senior Lecturer (Dept of Periodontics),
- **Abdulla** as Dr. **Jayaprakash Reddy**, HOD (Dept of Orthodontics),
- **Sowmya** as Dr. **Bhuvaneshwari**, Reader (Dept of OMR),
- **Bhuvana** (3rd Year) as Dr. **Mobeen**, Senior lecturer (OMR Dept).

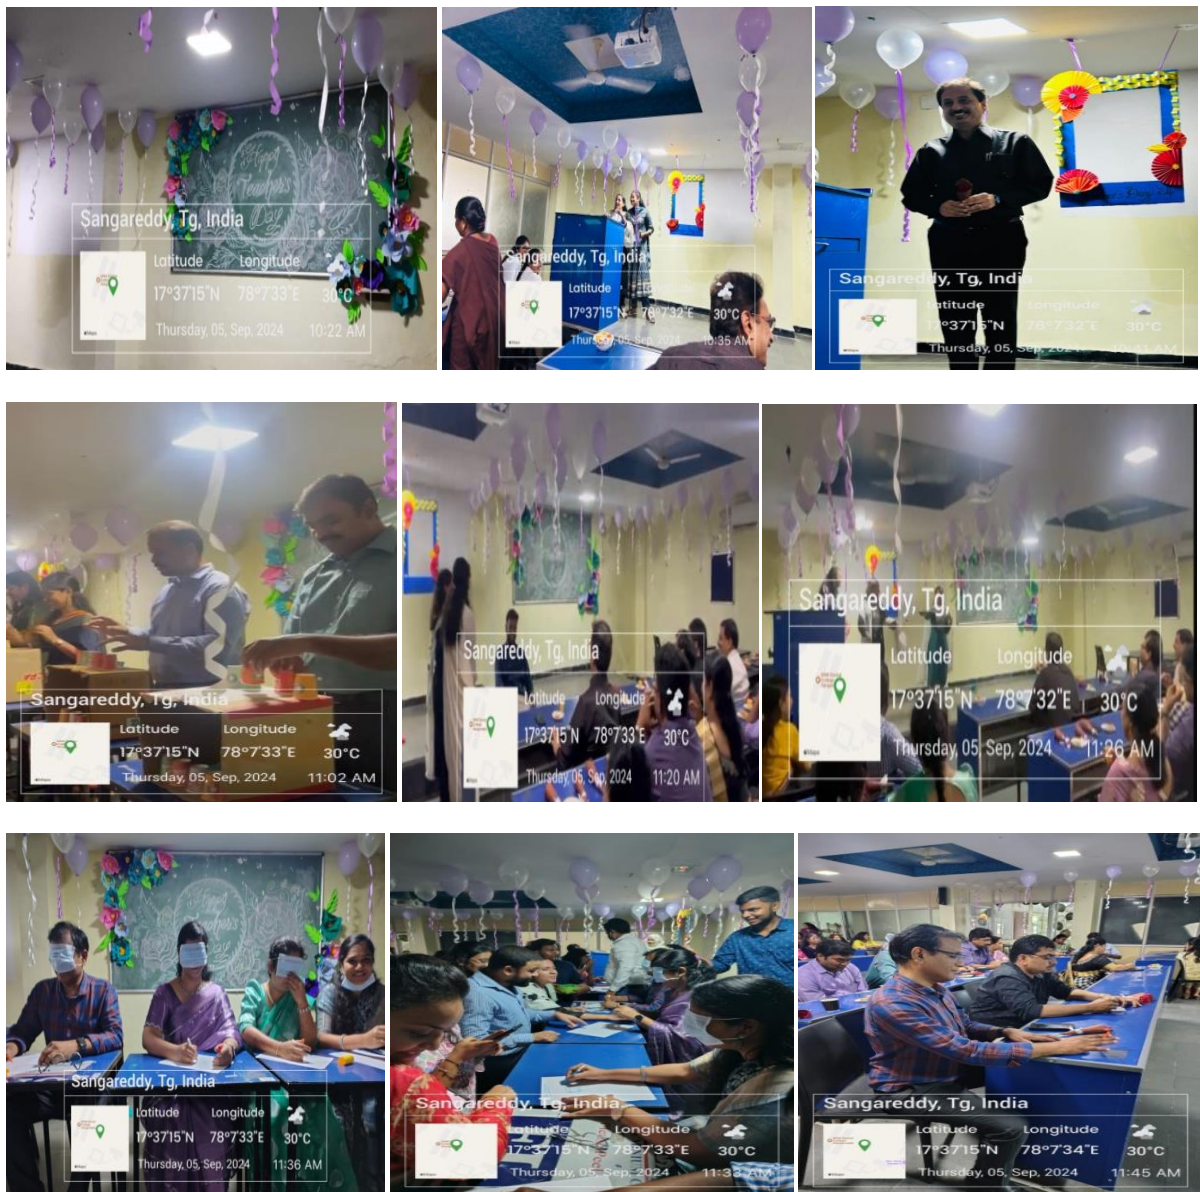

Judges, Dr. Ravindra SV, Dr. Ramesh, and Dr. Ruparani, awarded **Abdulla** (intern) with **1st place**, while **Sanjana** (intern) and **Bhuvana** (3rd year) shared **2nd place**.

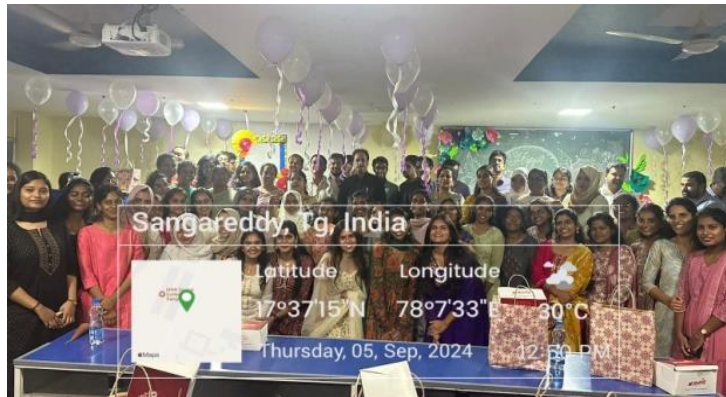

All the staff got to play the Thambola game and winners of all the 3 games were awarded with gifts.

The students served refreshments to all the staff members and presented each with a gift as a token of appreciation. The event concluded with a heartfelt thank you note by Dr. Naseem, and group pictures were taken to commemorate the occasion.

This memorable event fostered a sense of gratitude and appreciation between students and faculty, making it a joyful celebration of mentorship.
