

## ACTIVITY REPORT

### DENTAL CAMP AT MPHS MANSANPALLY -15/2/2024

**Date:**15/2/2024

**Location:** Mandal Parishad School, Mansanpally

**Number of Doctors Attended:** 8

**Hosted by:** MNR Dental College Hospital In association with NSS.

#### **Overview:**

On the 15th of February 2024, a dental camp was conducted at Mandal Parishad School in Mansanpally, organized by MNR Dental College Hospital. The camp aimed to provide dental care and awareness to the community, especially focusing on school children.

#### **Activities Conducted:**

- 1. Oral Health Check-ups:** The primary activity of the camp was conducting oral health check-ups for the attendees. Each participant underwent a thorough examination by the attending dental professionals to assess their dental health status.
- 2. Oral Health Education:** Alongside the clinical activities, educational sessions were conducted to raise awareness about oral hygiene and its importance in maintaining overall health. Demonstrations on proper brushing techniques and dietary advice for good oral health were provided to the attendees, with a particular emphasis on children.
- 3. Distribution of Oral Health Kits:** To support the community in maintaining good oral hygiene practices, toothbrushes, were distributed among the participants.

**Total op screened: 120**

Through the collaborative efforts of MNR Dental College Hospital , NSS and the dedicated team of doctors, the camp achieved its objectives of providing dental care, education, and support to improve the oral health outcomes of the participants.
