Brief description:

The Independence Day celebration at MNR Dental College was held with great enthusiasm and patriotism on 14th August 2024 in Lecture Hall #2. The event was organized by the 2nd-year students who took the initiative to plan, decorate, and host the program, creating a vibrant atmosphere adorned with the tricolors of the Indian flag.

Event Details:

The event commenced with a welcome note by the hosts, Shruthi and Kamran, who greeted all the faculty members and students. The program began with a prayer song by Sheela, setting a serene tone for the occasion.

Following the prayer, the Principal, Dr. Ravindra SV, was invited to address the gathering. In his speech, he highlighted the importance of Independence Day and reflected on the sacrifices made by freedom fighters for the nation's liberty. He also emphasized the role of today's generation in carrying forward the essence of freedom and responsibility.

The 78th Indian Independence Day, celebrated on 15th August 2024, marks over seven decades of freedom from British colonial rule. It is a day of immense pride and national unity, honoring the sacrifices of countless freedom fighters who fought for the country's sovereignty. As India continues to progress and evolve, this day serves as a reminder of the journey towards independence and the ongoing commitment to upholding the principles of democracy, liberty, and equality. Celebrations across the nation include flag hoisting ceremonies, cultural programs, and reflections on the significance of independence in shaping a vibrant and diverse India.

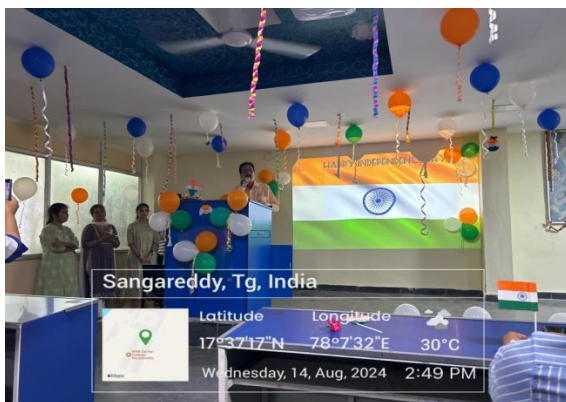

The cultural performances commenced with patriotic songs by Swathi and Niokhila, both from the 2nd year. Their soulful rendition stirred a deep sense of patriotism among the audience. This was followed by an insightful speech by Briqua and Zeenab, who paid tribute to prominent freedom fighters and their contributions to India's independence.

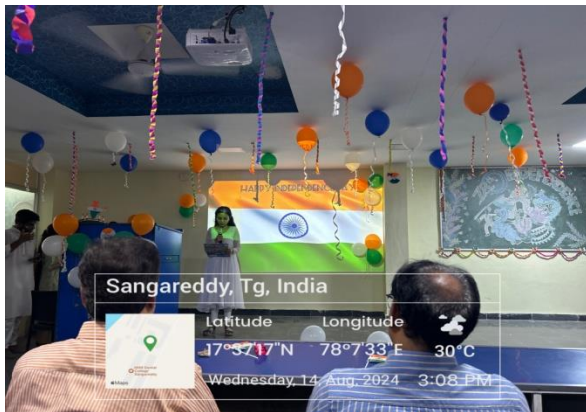

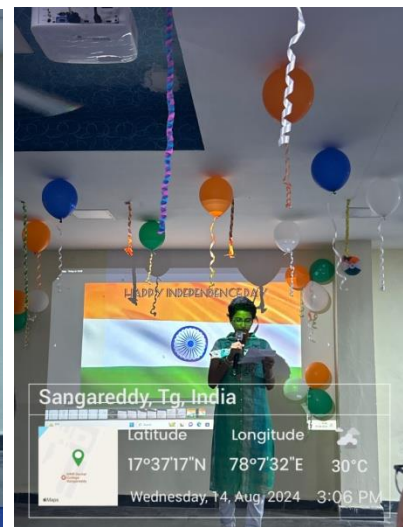

The energy of the celebration was elevated by a vibrant patriotic dance performance by the 3rd-year students. The group, consisting of Tejaswini, Harshitha, Pranave, Tarun, Vasanth, Ananya, and Anusha, captivated the audience with their graceful and dynamic performance.

The event concluded with a vote of thanks delivered by Jagruthi, expressing gratitude to all the participants, organizers, and faculty members for their support. The program ended with the singing of the national anthem, followed by refreshments served to all the staff, students, and participants.

The event was captured through group photographs, symbolizing the unity and collective spirit of the occasion. Principal thanked the organizers by giving a bouquet to Dr. Yasheshwini and Dr. Akhila for having initiated the students and celebrating Independence Day at MNR Dental College, which was successful and memorable and that instilled a sense of pride and patriotism in all of us.
